Dear Sirs

**NEW PREMISES FOR JACKSONS OF ARLEY, SPRING HILL
INDUSTRIAL PARK, COLLIERS WAY, ARLEY, NR COVENTRY.**

We felt I should write to you formally to thank you and more importantly your team for your company approach to this Project.

We can say without a doubt this building when complete and offered to us to formally accept was to the best standard we have seen in over twenty years of us being in business.

This reflected the teams performance throughout the Project where each member understood their role, co-ordinated with the various designers and ourselves, so that the project ran as smoothly as any we have done before.

We would be grateful If you could circulate our thoughts to your "Jackson Team".

We hope we can work together again.

Yours sincerely

PP
